Natural yogurt

Dear %f_name%,

It's been a busy time here lately, checking on all the expectant sheep. All the newborn lambs are now here and are playing and basking in the spring sunshine on the farm. Easter Bank Holiday is a great time to relax with friends and family and we have the perfect recipe for you to make using our healthy Natural yogurt.

Naturally delicious!

Nothing beats the smell of a freshly baked cake or a home-cooked meal, and with so many people returning to 'cooking-from-scratch', we thought we'd suggest some inspirational uses for our best-selling natural yogurt.

Available in a 500g pot size in both **wholemilk** and **fat free** varieties and now in a new, handy **wholemilk 4-pack**, our natural yogurt is so versatile and the perfect addition to any fridge. Pour generously over muesli or fruit for breakfast, enjoy on its own straight from the pot or why not try using it in our delicious **Tandoori Salmon** recipe?
