New Flavour

What a fantastic time we had at this year's Organic Food Festival in Bristol. The weather was incredible and it was lovely to meet so many of you and talk to you in person - check out some of the photos on our [Facebook page](#). As the countryside slowly moves from Summer to Autumn we are lucky enough to be able to watch these changes from our offices where we look out at the beautiful view pictured above. For our farms, September marks the start of the calving season and we will introduce you to our new arrivals next month.

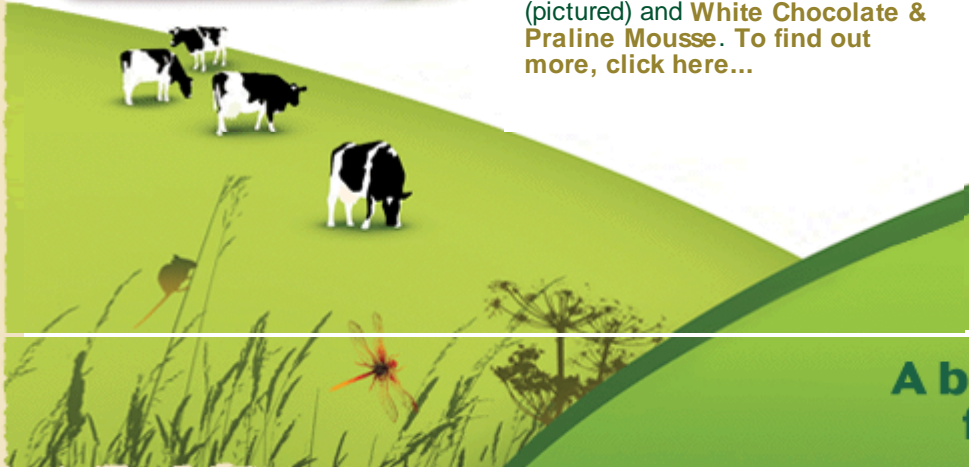

Arthur Potts Dawson is passionate about organic, sustainable food and is helping to lead the crusade for eco-friendly dining in London. His love for all things 'green' made him the perfect chef to create recipes for Yeo Valley, including the delicious **Loin of Pork Cooked in Milk** (pictured) and **White Chocolate & Praline Mousse**.
